FA County Youth Cup – 1st Round

Westmorland County FA v East Riding County FA
At Corinthians FC, Milnthorpe

In their first game of the season, the County Under 18 team entertained the East Riding County FA in the national FA County Youth Cup.

The tie started in torrential rain which helped the bigger/stronger visiting team to dominate the opening exchanges and Westmorland's goalkeeper, Thomas Jackson, was kept busy making four outstanding saves in the opening ten minutes.

But the visitors took the lead in the 9th minute when Jordan Easter got onto a cross. They had more chances on the sodden pitch and Westmorland's captain, Charlie Mackenzie, was forced to clear off the line.

The home side were unlucky not to equalise when Mackenzie shot over the bar from a corner.

At the other end Mackenzie was unlucky on 35 minutes when he deflected a cross in for an own goal.

The visitors made it three nil just before the interval when Faulkner scored.

Liam Dent was unlucky not to get one back for the home side when his back heel was cleared off the line.

Half-Time: Westmorland County FA 0 East Riding County FA 3

The visitors totally dominated the second half against a very tired Westmorland team and secured an outright victory with further goals from Easter (3), Rookes (penalty), Mobbs (2) and Reeson.

East Riding now take on Shropshire FA in the second round, while Westmorland look to starting their Northern Counties campaign against Cheshire in a couple of weeks time.

Full-Time: Westmorland County FA 0 East Riding County FA 10
